# WOOD-ULTREX SLIDING FRENCH DOOR

Integrity Wood-Ultrex® Sliding French Doors feature a rich wood interior and an exterior built with the strength of Ultrex® pultruded fiberglass. The ultimate combination of beauty and toughness, all Integrity Sliding French Doors can be customized to accent any home design with multiple exterior color choices, hardware styles and finishes, custom sizes and divided lite patterns. With a variety of insulated glass options, Integrity Sliding French Doors are Built to Perform® in any climate with tough, low-maintenance Ultrex exteriors featuring the industry's best fiberglass finish. Sliding French Doors are available in 2, 3, and 4 panel configurations.
