Introducing the VyWood™ Window—Vytex Potomac-hp Series windows are the ultimate in premium windows, combining style, performance and efficiency to enhance your home's character and maximize your energy savings. Potomac-hp Series windows are now available in VyWood™ paintable, stainable interior laminate.

With **VyCoat™** you can choose windows offering an array of colors, creating magnificent views. You can give your home roadside appeal, outstanding weatherability, years of color reliability, added value, and lasting distinction.

Window and Door Profile Coating System:

- Waterborne—environmentally friendly.
- Excellent exterior coating with superior performance.
- Over 25 shades of the color spectrum.
- Provides more color possibilities than co-extrusion.
- High abrasion and humidity resistance.
- Maintains color vibrancy.
- Expanded color and gloss retention.
- Proven durability in all weather conditions.
- No peeling, flaking or cracking.
- Specifically formulated to coat PVC.
- Long-lasting beauty for the windows in your home.

VyCoat™ is specifically formulated to coat PVC and designed to meet all International Standard requirements.

VyCoat™ is available on window exteriors only and is exclusive to our Potomac-hp Series and Fortis Series.

Due to your computer monitor's settings, actual colors may vary.
